WHY WE ARE THE EXPLORERS

La Salle University's nickname — The Explorers — was erroneously bestowed by a sports writer covering a La Salle football game on campus in the early 1930's. He thought that the school was named after the famed French explorer of North America. In reality, the school was named after St. John Baptist de La Salle, the French educator and founder of the Christian Brothers. Despite the error, the nickname has remained.

PHILADELPHIA

THE CITY OF BROTHERLY LOVE

The second largest city on the East Coast and the fifth largest in the nation, Philadelphia has retained its neighborhood spirit while supporting a metropolitan population of 5.7 million. The cradle of democracy, Philadelphia is home to the Liberty Bell and Independence Hall, where our country first took shape and our forefathers wrote the Declaration of Independence, the Articles of Confederation and the Constitution. Center City boasts hundreds of galleries featuring the latest in painting, sculpture, photography and video art, including the world-renowned Philadelphia Museum of Art and the Barnes Foundation.

Philadelphia also supports the nation's largest and most developed city park system (Fairmount Park) that offers 8,700 acres of trees and trails winding the length of the city. Center City's South Street, Boat House Row along the Schuylkill River, the Delaware Waterfront and Manayunk, a canal neighborhood with some of the best shops and restaurants in the tri-state area, are also unique to the city.

PHILADELPHIA BIG 5

The official announcement of the formation of the men's Big 5 was made on November 23, 1954 as a partnership between the athletic departments of La Salle University, the University of Pennsylvania, Saint Joseph's University, Temple

University and Villanova University. The Big 5 was touted as a chance for Philadelphia to present the best basketball it had to offer. Over the years, the Big 5 City Series Title has become an important season goal for each school as they battle their way through the Round Robin. These intense games carry important weight for coaches, players and fans alike.

The women's Big 5 City Series games were first officially conducted in the 1979-1980 season when all 5 teams had scheduled one another and held the Big 5 Round Robin. It was actually not until 1989, however, that the Big 5 administration formally included the women with the men to receive promotional and television benefits where available.

The women's Big 5 currently has a host of homegrown coaches in the ranks. Harry Perretta has been at the helm of the Villanova Wildcats since the inception of the women's Big 5 City Series. He has won six undefeated City Series championships, including back-to-back titles that his team will defend this season. Saint Joseph's Cindy Griffin was a standout on Hawk Hill in the early 1990's, and is now in her

fourth year as head coach of the Hawks. Her team advanced to the quarter-finals of the WNIT last season. Temple's Dawn Staley is a local product who started her stellar playing career on the playgrounds of Philadelphia. She returned

four years ago to lead the Owls' program and has had much success with one City Series and two Atlantic 10 Championships in just four seasons. Finally, in 2004-2005 we add two "new" head coaches to the ranks. Tom Lochner assumes the head coaching position at La Salle University, after serving as both assistant coach and associate head coach for the past 17 seasons. Tom has been a part of two NCAA Tournaments, one WNIT Tournament, four conference titles and five Big 5 titles while at La Salle. The Penn Quakers also have a new head coach, but Pat Knapp is not new to Philadelphia. Before his 18 seasons at Georgetown, Knapp grew up in the area and knows all about the importance that the Big 5 has to his team. Coming off an Ivy League title, the Quakers will also look to add a Big 5 title to their resume this season.

The Big 5 teams are coming off of an impressive season, with four of our squads participating in the post-season last year. Villanova will be defending their second consecutive City Series title, and the competition will be fierce and exciting as everyone battles for the Big 5 crown.

ATLANTIC 10 CONFERENCE

When it became apparent that the landscape of intercollegiate athletics was to undergo vast changes, the institutions of the Atlantic 10 Conference did something unique — they banded together. And, when the dust settled, the A-10 emerged stronger than ever!

It is that commitment that has given rise to the greatest era of success ever enjoyed in the history of the Atlantic 10. More teams and student-athletes are excelling than ever before, not only on the fields of play, but also in the classrooms as each year the A-10 recognizes more and more student-athletes for their academic successes. The University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of Rhode Island, University of Richmond, St. Bonaventure University, Saint Joseph's University, Temple University, and Xavier University each offer a rich blend of proud academic and athletic traditions to form an impressive athletic alliance. That alliance will be further enhanced with the additions of the University of North Carolina at Charlotte and Saint Louis University beginning with the 2005-06 season.

If a conference bases its success on the achievements of its student-athletes and teams, then the 2003-04 season was extremely successful. That success was highlighted by seven men's and five women's basketball teams earning postseason bids. On the men's side, Xavier earned the Atlantic 10's automatic bid to the NCAA Men's Basketball Tournament by becoming the first team in league history to win four games at the A-10 Championship. Saint Joseph's, Dayton, and Richmond each garnered at-large berths with the Musketeers and Hawks coming within a game of the Final Four — the first time that two Atlantic 10 teams reached the Elite 8 in the same season. With four teams earning NCAA bids, the A-10 has now sent multiple teams to the NCAA Tournament 13 of the last 14 seasons. George Washington, Rhode Island, and Temple also received NIT bids. George Washington and Temple earned berths in the NCAA Women's Basketball Tournament

— the 10th time in 11 years that the Conference sent multiple teams. Richmond, Saint Joseph's, and Xavier participated in the WNIT, with the Spiders reaching the semifinals.

Atlantic 10 student-athletes excel in the classroom as well. The Atlantic 10 sponsors several academic awards programs, including Academic All-Conference teams in each of its sports and the Commissioner's Honor Roll, which honored an Atlantic 10 record 1,830 student-athletes with a 3.0 grade point average or better this past year. The league also cites a male and female Scholar-Athlete of the Year, and awards four postgraduate scholarships to student-athletes who express a desire to continue their education.

On June 14, 1994, Linda Bruno was officially introduced as the Atlantic 10's fourth commissioner. As commissioner, Bruno has strengthened the Atlantic 10's membership with the additions of Dayton, Fordham, La Salle, and Richmond, and, beginning next season, Charlotte and Saint Louis. She also negotiated a pair of television deals with ESPN which provides greater exposure for the Atlantic 10's athletic programs. Under her leadership, the Atlantic 10 has increased its championship schedule to 21 sports with the additions of women's rowing, men's and women's outdoor track & field, and women's lacrosse. Bruno also spearheaded the league's entrance into Division I football with the formation of the Atlantic 10 Football Conference in 1997. In addition, in an effort to recognize the athletic and academic achievements of all student-athletes, Bruno instituted the Commissioner's Honor Roll, which cites every Atlantic 10 student-athlete with a 3.0 gpa or better.

The Atlantic 10 Conference, which spans six states and the District of Columbia with a total population of almost 58 million people, will crown champions in 21 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's lacrosse, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis, and women's volleyball.

2003-04 ACADEMIC YEAR IN REVIEW

The La Salle University athletic department is extremely pleased not only for the performance of our student athletes on the playing field, but also for their outstanding efforts in the classroom throughout the 2003-04 seasons. The La Salle University community has much to be proud of with 20 student athletes being named to conference All-Academic teams, 236 student athletes receiving the La Salle Faculty Athletics Council Academic Achievement Award, and 183 being named to the Atlantic 10 Commissioners Academic Honor Roll.

Headlining last year's team academic achievements was the 2003 Field Hockey squad. With a 3.47 grade point average (GPA), the field hockey team not only recorded the highest GPA among female sports in the Fall at La Salle, but also received national recognition. They were second in the nation in Division I team GPA behind Stanford University.

The volleyball team accumulated the highest GPA for the Spring of 2003 with a 3.48. The men's tennis team tallied its fourth and fifth consecutive highest team GPA awards with a 3.37 in the spring 2003 semester and a 3.38 in the fall 2003 semester.

La Salle University Director of Academic Support Services for Student-Athletes, Brother John Kane F.S.C., presented the team awards and also honored individual students for their accomplishments in the classroom at a luncheon held Tuesday, April 13th.

Senior Eric Moffett received the Academic Excellence Award for the senior student with the highest GPA. Moffett was a member of the men's tennis team, he had a 3.92 GPA as an Information Technology major. Kane also recognized the top senior female and male scholar athletes, which honors a combination of both athletic and academic success. The 2003-04 female scholar athlete award was presented to Kate McClung, a member of the women's crew team. McClung has a 3.68 as an Accounting major. The male scholar athlete of the year, also an Accounting major, was Patrick Nash. Nash has a 3.64 GPA and is a member of both the cross country and track teams.

STRENGTH AND CONDITIONING

A SOLID STRENGTH AND CONDITIONING PROGRAM IS IMPERATIVE IN THE COMPETITIVE WORLD OF COLLEGE ATHLETICS. A CRITICAL COMPONENT TO ON-FIELD SUCCESS IS THE WORK THAT IS PUT IN OUTSIDE THE LINES.

La Salle University's Strength and Conditioning program is designed to maximize the student-athlete's performance. This is accomplished through the use of orthopedically safe, physiologically sound exercises and comprehensive total body training.

By systematically and progressively overloading the muscles trained and holding each athlete accountable for each repetition of each exercise of every workout, the program ensures consistent gains in strength and power.

The focus is on teaching the athlete to produce a maximal effort repeatedly for a given period of time and proprioceptive skill, one's ability to control their body in space, not how much weight an athlete can lift for one repetition.

The program maximizes the time spent in and out of the weight room, preparing the athletes for competition by making the workouts specific and purposeful so that they are a means to an end and not an end in and of themselves.

HEAD COACH TOM LOCHNER

La Salle University announced the appointment of Tom Lochner as the seventh women's basketball head coach in the history of Explorer basketball for the 2004-05 season in a press conference held Monday, August 30th.

He also worked with the academic support staff regarding student-athlete progress.

Lochner joined the Explorers coaching staff in 1987 serving as a volunteer assistant for two seasons. After gaining full-time coaching status in 1989, he remained as an assistant coach until the 1998-99 season, when he was promoted to associate head coach.

2003-04 SEASON IN REVIEW

Inches. That is how far away the Explorers were from possibly moving on one more round in the Atlantic 10 Tournament in March of 2004. Freshman **Crista Ricketts** drove to the basket and was called for an offensive foul. Many feel the call could have gone either way, had it gone in the direction of the Explorers they would have taken a one point lead, possibly two if she made the free throw. The call, however, went in favor of the Colonials, who went on to win the game 64-61 and advance to the third round of the A-10 Tournament.

La Salle still had an excellent season finishing at 15-13 (.536) – the Explorers best winning percentage since recording the same final season record in 1997-98. The Explorers recorded four losses during the season when the deficit was seven points or less. Both the Villanova Wildcats and George Washington defeated La Salle by three points and the Explorers fell on the road at Xavier by seven and at Duquesne by five. Both Xavier and Duquesne are A-10 West teams that La Salle defeated on home turf later on the season.

The Explorers dropped a 51-48 game at Villanova that they led at the 15:15 mark in the first half until the Wildcats took the lead with 5:03 left in the game. Junior **Jill Marano** scored a season high 25 points in the game - more than 50% of La Salle's total points in the loss. The Wildcats went on to defeat National Champions, Connecticut in the Championship game of the Big East Tournament that season and compete in the NCAA Tournament.

The 2003-04 season saw just two seniors retire the blue and gold in Kat Foley and Ekaterina Markova, and saw amazing play out of newcomers Crista Ricketts and fellow rookie **Jenna Graber**. Ricketts finished the season leading the team in scoring (14.1 ppg) and rebounds (6.5 ppg). She also scored more points as a freshman than any other freshman in the history of La Salle women's basketball (394). Ricketts was honored for her freshman season efforts by being named both the Atlantic 10 Rookie of the Year and the Big 5 Rookie of the Year. She was also named to both the A-10's All-Rookie team as well as the Big 5's All-Rookie squad.

Ricketts tallied five double doubles on the season, leading the conference in the category. She recorded back to back 26-point performances in wins over Xavier (2/19/04) and Dayton (2/22/04) for a career and season high in points. Ricketts accumulated a career and season high 14 rebounds in the first round of the

CRISTA RICKETTS

A-10 Tournament as the Explorers downed St. Bonaventure (3/5/04) 50-45. She was the high scorer on 11 occasions, and the high rebounder 10 times, combined she led the team in both scoring and boards in seven games.

Junior **Meghan Wilkinson** along with Graber also made their presence known in the La Salle record book, specifically in the three point categories. For the 2003-04 season Wilkinson moved to third all-time in three pointers made in a season with 53, she took the top spot in attempted three pointers in a season with 175 and her 44.7 three point percentage makes her third all time. She is third behind Graber who shot 13-29, 44.8, from behind the arc this season. Wilkinson also holds the fourth spot in both three pointers made (122) and three pointers attempted (388) in a career with one year remaining in her career there is much room for movement in the record books.

Marano, who led the nation in free throw percentage following the 2002-03 season, is now fourth in the nation as she finished the 2003-04 season 95-106 from the charity stripe, 89.6%. Marano holds the top spot in free throw percentage in a single season from 2002-03 (94.6) and after this season also notched the fourth spot overall. She is the all-time career leader in La Salle history in free throw percentage making 218-238 (91.6%). Marano's numbers were not exclusive as the team finished the 2003-04 season 385-514 from the foul line, making them 20th in the Nation in free throw percentage (74.9).

Sophomore **Davineia Payne** was a huge contributor both offensively and defensively. She finished the season third in scoring (8.7) and second in rebounds (5.6), she was also second in steals with 29. Payne tallied two double doubles this season and scored in double digits on 11 occasions. She led the team

in scoring three times and in rebounds seven times. Finishing third on the team in rebounding was junior **Monica Garrido-Sanz** with 117 total (4.5 rpg). Garrido-Sanz scored in double digits in seven games this season and led the team in rebounds in wins over Coppin State (12/29/03) with nine, Massachusetts (1/3/04) with six and Richmond (1/25/04) with seven.

MEGHAN WILKINSON

A true point guard, sophomore **Shaune McLaughlin**, proved to be an offensive threat, draining three three pointers in the Explorers' second victory of the season over Dayton (2/22/04). McLaughlin dished out 51 assists on the season, including four at St. Francis (NY), at Fordham and vs. George Washington in the second round of the A-10 Tournament. McLaughlin was perfect from the charity stripe on five different occasions, aiding La Salle in its national recognition. Fellow sophomore **Lamera Ferguson** saw action in 11 games for La Salle, sitting out part of the season due to injury. She scored eight points on the season and pulled down 15 boards, including two five rebound performances against the University of

Florida (11/23/03) and the University of Delaware (12/3/03).

The 2003-04 season also saw two walk-ons in sophomore guard **Janell Phillips** and freshman forward **Megan Sweeney**. Both saw action in seven games for the Explorers. Phillips scored her first collegiate points in La Salle's victory over Howard (12/17/03), while Sweeney tallied hers in La Salle's game at Richmond (1/12/04).

With virtually a full complement of returning players and the addition of freshmen Carlene Hightower, Melanie Gibbons, Meghan Ahl, and Alyse Hoover new head coach Tom Lochner is hoping this 2004-05 squad will find itself in the situation where inches do not matter.

DR. THOMAS BRENNAN

DIRECTOR OF INTERCOLLEGIATE ATHLETICS AND RECREATION

Dr. Thomas Brennan has helped usher in a new era in La Salle Athletics since his appointment as the school's fifth Director of Intercollegiate Athletics and

Recreation on September 18, 1997. He guides the school's 23-sport Division I Athletic program.

"La Salle has a proud and respected tradition of intercollegiate competition and I am excited to lead the department into the 21st century," Brennan said. "You must have integrity in your program. You must have a program which emphasizes the educational mission of athletics. You must also strive for excellence in the athletic arena. I know that these are all important at La Salle and that is what attracted me."

Since coming to La Salle, Brennan has enhanced many areas within the Athletic Department, including the formation of the Explorer Club, a fundraising/booster organization, and the introduction of an active Corporate Partners/Athletic Sponsorship Program. Membership in the Explorer Club has more than doubled during his tenure. Corporate partnerships have been established with many local businesses and corporations. During his tenure, the Philadelphia Big 5 has been rejuvenated, the Tom Gola Arena has been dedicated, the Alumni Hall of Athletes' Program has been expanded and many other initiatives have been introduced in an effort to enhance the overall program.

Under Brennan's guidance, La Salle Athletics has enhanced its commitment to Youth Outreach and Community

Service. La Salle was selected, by the NCAA, as one of only 20 schools to participate in a national program with the Big Brothers/Big Sisters Organization (Campus Pals). La Salle has also been recognized for three consecutive years by the National Consortium for Academics and Sport for having one of the most active and expansive outreach programs in the country.

During his tenure at La Salle, Dr. Brennan has served the University in a number of ways, including membership on the President's Team, the University Council, the University Strategic Planning Committee, the University Marketing Task Force and the Middle States Accreditation Team.

Dr. Brennan also serves as a member of the Executive Committee for the Philadelphia Sports Congress, and as a member of the Board of Directors for the Big Brother and Big Sister Association of Philadelphia. He has served as Chair for the Atlantic 10 Conference Post-Graduate Scholarship Committee, the Television Committee and Finance Committee, and as a member of the Atlantic 10 Women's Basketball Committee and the Executive Committee as well as the Student-Athlete Advisory Council. Dr. Brennan is also a member of the Executive Committee for the National Consortium for Academics and Sport.

Brennan was the Athletic Director at San Jose State University from 1990-97, moving the school from the Big West Conference to the Western Athletic Conference. During his administration, graduation rates for student-athletes more than doubled and participation by women in intercollegiate athletics increased, as the university was recognized for Title IX compliance efforts by the Office of Civil Rights of the U.S. Department of Education. In addition, annual athletic contributions increased three-fold, while \$6 million was raised for a new field house and administrative complex.

Prior to his tenure as the Athletic Director at San Jose State, Brennan was the Director of Athletics at Loyola College in Maryland from 1986-90. During that time, Brennan successfully moved Loyola from the Northeast Conference into the Metro Atlantic Athletic Conference. The Greyhounds became national contenders in men's and women's lacrosse and men's soccer and competed for the NCAA Division I Championships in each of these sports. While at Loyola, Brennan was a member of the Board of Directors for the Maryland Special Olympics.

From 1980-86, Brennan worked at the University of New Mexico, first as Assistant Athletics Director and then Associate Athletics Director for Advancement. At the time of his departure, he oversaw the fundraising, media relations, sponsorship, marketing, sales and athletic alumni efforts. Part of his duties included establishing a statewide radio and television network. Prior to that, he oversaw the NCAA compliance program and academic support area of the department. Brennan also earned a faculty position in the school's Graduate Program in Athletic Administration.

Brennan's career in athletic administration began at Syracuse University, where he was Academic Coordinator for the athletic department, serving as a liaison with the school's central administration, deans, department

heads and coaches. Syracuse was recognized at the time by the NCAA as having one of the top student-athlete graduation rates in the country.

A graduate Xavier High School (NYC) and LeMoyne College '73 in Syracuse, NY, Brennan went on to earn Master's and

Doctoral degrees in Higher Education Administration from Syracuse University. A native of Brooklyn, NY, Brennan and his wife Ellen, a member of the faculty at Penn State-Abington, are the parents of Maggie, Tim, and Kate.

In addition, he is responsible for coordination of all marketing initiatives of the athletic department. As the Executive Director of the Explorer Club, he is responsible for all fundraising efforts of the athletic department.

Under his direction in the Athletic Advancement Office, revenue and membership in the Explorer Club have increased each year. In addition, the Athletic Sponsorship Program has provided additional revenue for the athletic department. He has also been instrumental in acquiring grants for Project Teamwork, the Athletic Department's Youth Outreach and Community Service Program.

D'Orazio's professional career at La Salle started in 1982 when he was appointed Assistant Facility Director. In 1985, he became the Director of Intramurals and in 1989 was given additional responsibilities as Basketball Ticket Manager. In 1997, he was promoted to Assistant Athletic Director for Campus Recreation and Promotions, and in the spring of 1998, he assumed his current position as Assistant Athletic Director for Athletic Advancement.

Currently, Peter is a member of the Board of Directors of the La Salle University Alumni Association. He is also a trustee for the Son's of Italy, Ivy Ridge Lodge 251. D'Orazio's love of La Salle stems back to his student days as the men's basketball manager during the 1977-1981 seasons, with teams that won two conference championships and made two NCAA appearances. In addition to sports, D'Orazio lists cooking, music, and golf as his interests. Currently he resides in Glenside with his wife, Fran, and their children - Rebecca, Annaliese, and Celeste.

Although the newest Assistant Athletic Director at La Salle University, Jason Klotkowski has a long and varied history as part of the Explorer family.

Klotkowski began his affiliation with La Salle as a student in 1992, and has moved up through the ranks over the past decade. As a student, he served as president and competed for four years on La Salle's men's volleyball club team. In 1995 he took over as the coach for two seasons, along with

joining the women's volleyball team as the assistant coach.

The next stop on Klotkowski's journey began in 1996 when he was named the seventh head coach of the women's volleyball program at La Salle. Along with his volleyball coaching duties, Klotkowski also entered the financial sector at La Salle as the payroll clerk for the Food Service department. Two years later, he moved to the Accounting Assistant for the University.

In 1998, still serving as the volleyball coach, Klotkowski moved to the Hayman Center full time, after being named the Accounting Assistant for the athletic department. A year later,

Klotkowski's position changed again, as he was named the Assistant Business Manager. Honing his financial skills for two years as the assistant, in 2001 Klotkowski continued his climb, being elevated to Business Manager.

TOM GOLA ARENA

TOM GOLA ARENA RECORDS

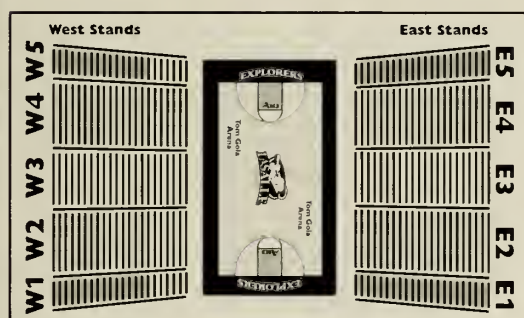

First Game: February 21, 1998

All-Time Record: 42-28

Longest Winning Streak: 7 games
(Feb. 2, 2002- Nov. 26, 2002)

Most wins in a Season: 9 (two times, last 2002-03)

Most Points in a Game: 44, Rasual Butler, La Salle, vs. Rhode Island on 2/23/02

Almost 50 years ago, in Tom Gola's senior season of 1954-55, the La Salle University men's basketball team played the majority of its home games in Wister Hall, where the campus bookstore currently is located. Since that season, the Explorers have called many sites off-campus home, however all of that changed on February 21, 1998 with a victory over Virginia Tech.

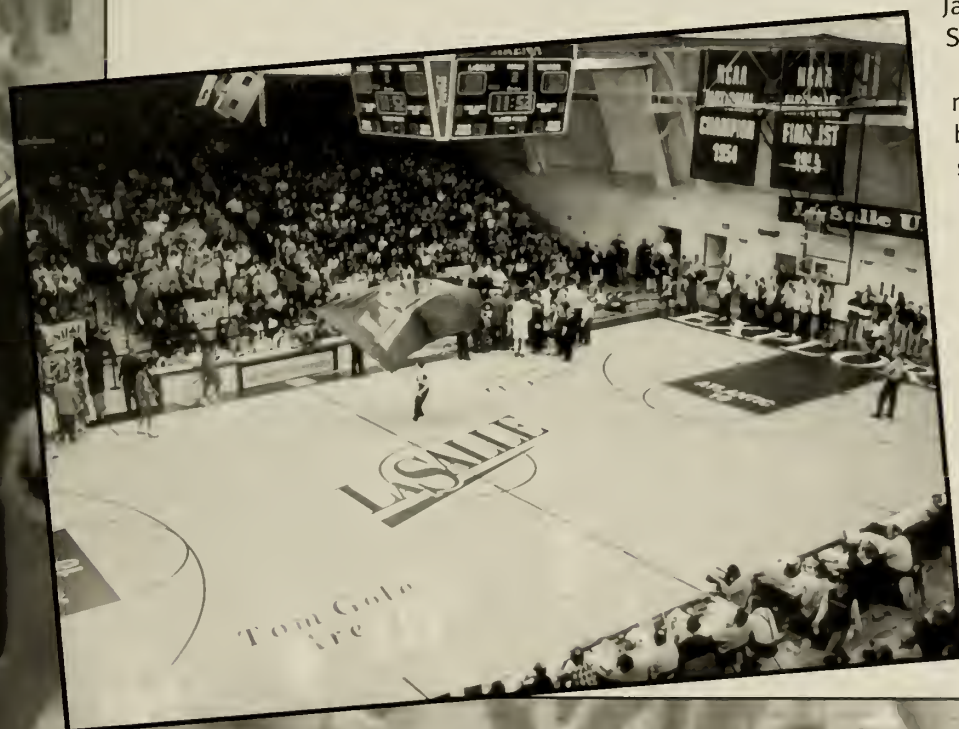

It took \$6.3 million and 280 calendar days from groundbreaking on May 17, 1997 to return the men's basketball team to 20th & Olney fulltime. In the last home game of the 97-98 season, the Explorers defeated the Hokies, 74-64, before a sellout crowd, in an arena that went from approximately 1,000 seats to the current capacity of 4,000 – a 400% increase.

Tom Gola Arena is the home of the Explorers and the centerpiece of the Hayman Center. On November 21, 2001, La Salle officially named the arena after the legendary alum of the school in a ceremony at halftime that included most of the great La Salle ballplayers over the years. That night the Explorers defeated Howard, 86-63.

Including the first two wins over Virginia Tech and Howard, the men's basketball team has played 70 games in Tom Gola Arena, and has won 42 of those, a winning percentage of 60%. The Explorers won their first six games in their new home and have suffered through only one losing season at Tom Gola Arena. Last season, the team posted impressive home wins over non-conference foes

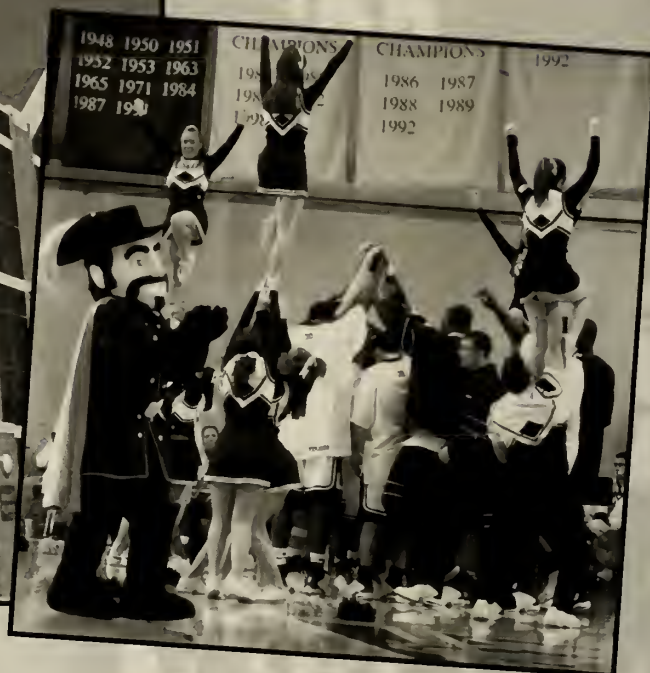

James Madison and Mount St. Mary's.

The Explorers have played many memorable games in the building, but the two that stand out the most are contests against Massachusetts and Saint Joseph's. In front of a national television audience (ESPN2) on February 23, 1999, La Salle defeated the Minutemen 63-60 and on March 2, 2001, the Explorers handed the 18th-ranked Hawks a 91-90 loss, only their fifth of the season.
